

INTRODUCTION

The 6th International Conference on Mathematics and Statistics (ICoMS 2023) will be held in Leipzig, Germany during July 14-16, 2023. The annually held conference aims to provide an opportunity for the researchers to meet and discuss the latest solutions, scientific results and methods in solving intriguing problems in the fields of Mathematics and Statistics. The themes for ICoMS 2023 are focused on "Mathematics of Digital Twins -Analysis, Stochastics and Numerics".
