

2026 9th International Conference on Mathematics and Statistics

2026 9th International Conference on Mathematics and Statistics (ICoMS 2026) will be held in Paris, France during September 11-13, 2026. It can provide a platform for academic communication in Mathematics and Statistics and related areas. The papers of ICoMS have been published in International Conference Proceedings and indexed by EI Compendex and Scopus for 7 years.

Committee

Advisory Chair

Ding-Geng Chen, Arizona State University, USA
João Tiago Praça Nunes Mexia, NOVA University of Lisbon, Portugal

General Chairs

Cristina Delerue Matos, Polytechnic Institute of Porto, Portugal
Jochen Merker, HTWK Leipzig, Germany

Program Chairs

Dario Ferreira, University of Beira Interior, Portugal
Dietrich von Rosen, Swedish University of Agricultural Sciences, Sweden
Nikolaos Limnios, University of Technology of Compiègne, France
Sandra Ferreira, University of Beira Interior, Portugal
Ana Borges, Polytechnic Institute of Porto, Portugal

Publicity Chairs

Carla Santos, Polytechnical Institute of Beja, Portugal
Maria Luz Gamiz, University of Grenada, Spain
Sandra Nunes, Polytechnic Institute of Setúbal, Portugal

Topics

Mathematical Modeling and Computer Science Applications

Computational mathematical methods and algorithms
Numerical computation and optimization methods
Application of mathematical models in computer science
Computer-aided proof and verification

Data Science and Statistical Computing:

Big data analysis and mining; Statistical learning and machine learning
Data visualization and visual analytics
Statistical computing and computational statistics

Computational Statistics and Statistical Computing:

Computational methods for statistical inference and modeling
High-performance computing in statistics
Statistical software and programming languages
Computer-based statistical methods and experimental design

Computer Vision and Image Processing:

Image recognition and classification
Object detection and tracking
Image segmentation and reconstruction
Computer vision algorithms and applications

Computer Networks and Security:

Network analysis and modeling
Network security and privacy protection
Network optimization and performance evaluation
Computer-based network management and control

More topics can be found at <https://www.icoms.org/cfp.html>

Regional Chair of UAE

Ayman Alzaatreh, American University of Sharjah, UAE

Regional Chair of Brazil

Paulo Canas Rodrigues, Federal University of Bahia, Brazil

Regional Chair of Saudi Arabia

Vinoth Raman Rangan, Imam Abdulrahman Bin Faisal University, Saudi Arabia

Regional Chair of Slovakia

Viktor Witwosky, Slovak Academy of Sciences, Slovakia

Guest Speakers

Prof. Ding-Geng Chen

Arizona State University, USA & University of Pretoria, South Africa

Prof. Paulo Canas Rodrigues

Federal University of Bahia, Brazil

Prof. Eren Bas

Giresun University, Turkey

Publication

ICoMS 2026 Springer Proceedings in Mathematics & Statistics, indexed by **EI Compendex** and **Scopus**.

The papers of ICoMS have been published in International Conference Proceedings and indexed by **EI Compendex and **Scopus** for 7 years.

Special Issue

Computational Mathematics and Applied Statistics (ISSN: 2297-8747), which will be submitted to be indexed by **Scopus**, **ESCI** (Web of Science), **Inspec**, etc. Impact Factor: 2.1, CiteScore: 0.5

Submission Methods
